

Timber Research and Development Institute Praha
Na Florenci 7-9, 111 71 Praha 1, Czech Republic
Third Party Certifier No. 23

CERTIFICATE

CARB – 3572/22

In compliance with the Final Regulation Order (FRO) of Airborne Toxic Control Measure (ATCM) to Reduce Formaldehyde Emissions from Composite Wood Products, it has been stated that product:

PLYWOOD HWPW-VC
thickness range 4 – 23 mm

placed on the market by:

CZECH PLYWOOD s.r.o.
Tovární 725
769 01 Holešov
Czech Republic

and produced in the factory: CZECH PLYWOOD s.r.o., Tovární 725, 769 01 Holešov

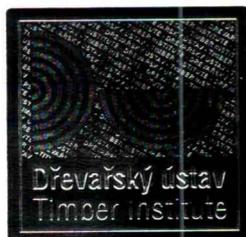

complies with the emission standards of Phase 2 according to table 1 in FRO, § 93120.2 (a) and that the manufacturer meets the requirements with view of quality assurance according to FRO, § 93120.12 Appendix 2.

The approved Third Party Certifier - Timber Research and Development Institute Praha, TPC No. 23 (executive order W-21-023) - has performed the initial type-testing of the product, the initial inspection of the factory and of the factory production control (FPC) and performs the continuous surveillance, assessment and approval of FPC.

The manufacturer has contractually agreed with TPC No. 23 upon quarterly supervision including sampling at the place of manufacture.

This certificate has been issued based on the Test report MVZ-A-2022-002467 and Supervision report CARB – 3572/22/3 and is in force as long as the continuous supervision is carried out by TPC No. 23, unless the conditions under which this certificate has been issued will have changed considerably.

This certificate was first issued on 11th of April 2022 and will remain valid as long as the test methods and/or factory production control requirements, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.
