ZONIO – Storage Boxes

The Agilo & Zonio collection offers comprehensive solutions for modern offices. With a focus on modularity, acoustics and adaptability, it connects work and team tables with shelving systems and acoustic elements made of recyclable PET felt. Thanks to smart construction, the elements are easy to assemble. All parts of the Agilo & Zonio collections are interconnected, creating a user-friendly whole that is open to change and designed with attention to detail.

Description	Zonio boxes extend the functionality of shelving systems with a practical and aesthetic element. They serve as storage space for documents, office supplies or personal items, helping to keep the workspace clear and organised. Available in several sizes as offered.
