AGILO AG B4000.01, AG B4001.01

Design: Kai Stania (AT)  
Manufacturer: RIM CZ a.s.

## AGILO AG B4000.01, AG B4001.01

The Agilo & Zonio collection offers comprehensive solutions for modern offices. With a focus on modularity, acoustics and adaptability, it connects work and team tables with shelving systems and acoustic elements made of recyclable PET felt. Thanks to smart construction, the elements are easy to assemble. All parts of the Agilo & Zonio collections are interconnected, creating a user-friendly whole that is open to change and designed with attention to detail.

---

<b>Description</b>	The Agilo high desks offer a flexible solution for modern offices and collaborative spaces. Thanks to their mobile base with castors, they easily adapt to different needs – from quick stand-up meetings to team collaboration. A solid construction combined with a high-quality table top ensures stability and durability. The desks are available in two different sizes and several colour options, making them easy to match with any interior.
--------------------	--

---

<b>Base</b>	The base legs are tubes Ø 40 × 2 mm connected by box profiles 40 × 20 × 2 mm, RAL black colour. The base is fitted with braked castors.
