

AGILO

Conference Tables – Corner Systems

AGILO AG C4300

Design: Kai Stania (AT)
Manufacturer: RIM CZ a.s.

AGILO AG C4300

The Agilo & Zonio collection offers comprehensive solutions for modern offices. With a focus on modularity, acoustics and adaptability, it connects work and team tables with shelving systems and acoustic elements made of recyclable PET felt. Thanks to smart construction, the elements are easy to assemble. All parts of the Agilo & Zonio collections are interconnected, creating a user-friendly whole that is open to change and designed with attention to detail.

Description

The Agilo conference table system is designed for meeting and conference spaces. Individual tables can be used on their own or combined into long rows or configurations in L or U shapes, depending on the specific needs of the space. The system is designed to adapt easily to different scenarios – from small meetings to large conference setups. For visual clarity and privacy, an optional PET modesty panel under the tabletop is also available.

Components

The table structure is composed of individual components depending on the selected size and configuration.

AG EL – End Leg (1 pair)

AG CL – Connecting Leg (1 pair)

AG B1 – Table Crossbeams 1 450 mm (1 pair)

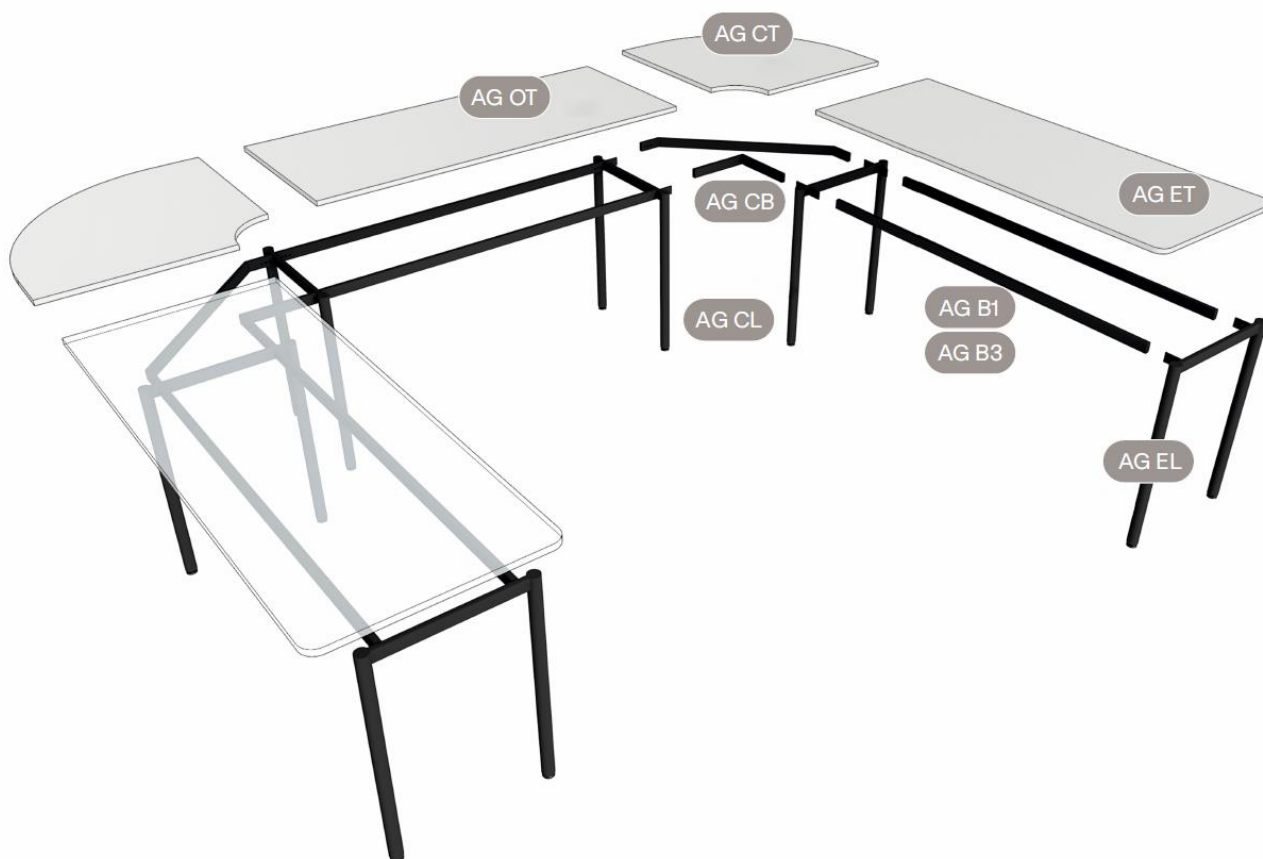

AG B3 – Table Crossbeams 1 250 mm (1 pair)

AG CB – Corner segment

AG ET – End Tabletop (Available in two lengths, depending on the selected base length.)

AG OT – Continuous Tabletop (Available in two lengths, depending on the selected base length.)

AG CT – Corner Tabletop

Base The base legs are made of Ø 40 × 2 mm tubes, connected by 40 × 20 × 2 mm steel profiles, RAL black colour. The base is fitted with plastic glides. Other RAL colours – on request

- Dimensions:**
- Base frame depth: 510 mm
 - Table crossbeam length: 1450 mm | 1250 mm
 - Corner segment

Table Top **Tabletop Features**

MFC table top (melamine-faced particleboard), thickness 18 mm, radius 40 mm:

- white W1000, ST9, ABS edge in board colour, thickness 1 mm
- light grey U708, ST9, ABS edge in board colour, thickness 1 mm
- anthracite U963, ST9, ABS edge in board colour, thickness 1 mm
- oak H3395, ST12, ABS edge in board colour, thickness 1 mm

Other table tops – on request.

- Optional**
- Connection point - According to specification
 - PET Modesty Panel, th. 9 mm, melange finish*
 - The panel dimensions are defined by the selected table dimensions
 - **MT PT300:** 1420 x 300 mm (crossbeam length **1450 mm**)
 - **MT PT302:** 1220 x 300 mm (crossbeam length **1250 mm**)
 - **MT PT350:** Corner element with inner V-cut, R160, height 300 mm
 - Colours: anthracite, light grey, grey-blue, beige

** The panel is made of environmentally friendly PET felt (100% polyester, 60% recycled), 9 mm thick, with a weight of 1900 g/m² ± 7%. It offers acoustic properties with a Noise Reduction Coefficient (NRC) of 0.3 (without air gap) up to 0.8 (with 150 mm air gap), low weight, reduced flammability and thermal insulation.*

Connection Points

Type of connection point according to the offer. The position of the connection point on the tabletop is according to the customer's specification.

PM 020.00

Connection panel 2× 230 V (Type E), charger 1× USB-A/C (65 W).

2 m power cable with CEE E/F plug.

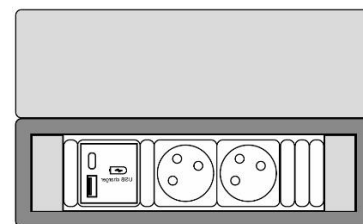

Black plastic housing, black metal frame.

Aluminium cover.

Optional accessory

PM 020.01

Connection panel 2× 230 V (Type F).

PM 020.10

Connection panel 2× 230 V (Type E), charger 1× USB-A/C (65 W).

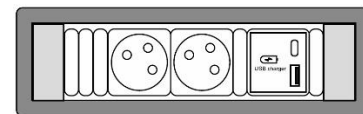

2 m power cable with CEE E/F plug.

Black plastic housing, metal frame in aluminium / black / white finish.

Optional accessory

PM 020.11

Connection panel 2× 230 V (Type F).

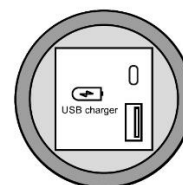

PM 021.15

Charger 1× USB-A/C (22 W).

2 m power cable with CEE E/F plug.

Black plastic housing.

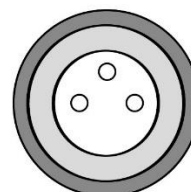

PM 021.10

Connection panel – 1× 230 V (Type E).

2 m power cable with CEE E/F plug.

Black plastic housing.

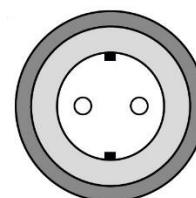

PM 021.11

Connection panel – 1× 230 V (Type F).

2 m power cable with CEE E/F plug.

Black plastic housing.

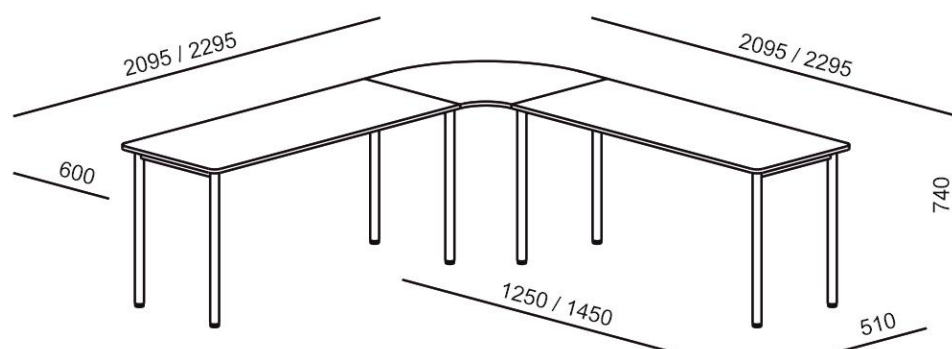

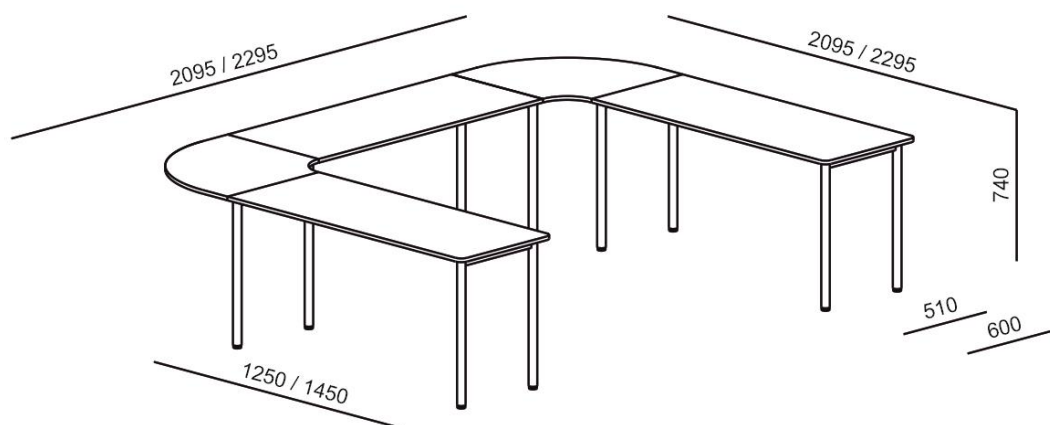

Certification

The PET material contains no volatile organic compounds (VOCs) or other harmful substances and complies with GREENGUARD, OEKO-TEX STANDARD 100, REACH and RoHS certifications. It is easy to clean and 100% recyclable.

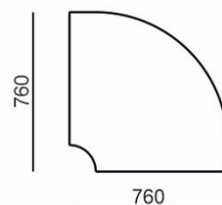

Warranty

Fixed metal parts: 5 years | PET panels and boards: 3 years (see Terms & Conditions)
