Design: Kai Stania (AT)
Manufacturer: RIM CZ a.s.

AGILO AG T2000, AG T2001

The Agilo & Zonio collection offers comprehensive solutions for modern offices. With a focus on modularity, acoustics and adaptability, it connects work and team tables with shelving systems and acoustic elements made of recyclable PET felt. Thanks to smart construction, the elements are easy to assemble. All parts of the Agilo & Zonio collections are interconnected, creating a user-friendly whole that is open to change and designed with attention to detail.

Description

The Agilo premium desks combine elegant design with functionality for modern offices. A sturdy metal base ensures stability and durability, while the high-quality MDF top with softly rounded edges gives the desk a premium look. Optional PET felt panels made from recycled materials improve privacy and workplace acoustics. Thanks to smart construction, the desks can be easily combined with other elements of the Agilo & Muteo collections.
