ZONIO – Shelving Panels

The Agilo & Zonio collection offers comprehensive solutions for modern offices. With a focus on modularity, acoustics and adaptability, it connects work and team tables with shelving systems and acoustic elements made of recyclable PET felt. Thanks to smart construction, the elements are easy to assemble. All parts of the Agilo & Zonio collections are interconnected, creating a user-friendly whole that is open to change and designed with attention to detail.

Description	Zonio shelving panels provide visual separation of workstations, support privacy at work and contribute to improved acoustic comfort.
